S. 1. An Act to amend the Public Health Service Act to revise and extend the programs of the National Institutes of Health, and for other purposes.

#### ¶16.4 PROVIDING FOR THE CONSIDERATION OF H.R. 920

Mr. BONIOR, by direction of the Committee on Rules, called up the following resolution (H. Res. 103):

*Resolved*, That upon the adoption of this resolution it shall be in order to consider in the House the bill (H.R. 920) to extend the emergency unemployment compensation program, and for other purposes. The amendment recommended by the Committee on Ways and Means printed in the bill and the amendment printed in the report of the Committee on Rules accompanying this resolution shall be considered as adopted. All points of order against the bill, as amended, and against its consideration are waived. Debate on the bill shall not exceed two hours equally divided and controlled by the chairman and ranking minority member of the Committee on Ways and Means. The previous question shall be considered as ordered on the bill, as amended, to final passage without intervening motion except one motion to recommit.

Pending consideration of said resolution,

#### ¶16.5 POINT OF ORDER

Mr. WALKER made a point of order against the resolution, and said:

"Mr. Speaker, I make a point of order against House Resolution 103 on the ground that two amendments self-executed by the resolution are in violation of two different House rules, and I ask to be heard on my point of order.

"Mr. Speaker, first, House Resolution 103 is in violation of clause 5(a) of rule XXI because it proposes to adopt the Ways and Means Committee amendment printed as section 4 in H.R. 920 as reported. That section deals with financing provisions and in effect re-appropriates advance account funds to make payments to the States to provide these additional benefits. Clause 5(a) of rule XXI prohibits appropriations provisions in a bill not reported by the appropriations committee.

"Second, Mr. Speaker, House Resolution 103 attempts to adopt an amendment contained in the report to accompany the resolution extending coverage of the bill to railroad employees. That amendment is in violation of clause 7 of rule XVI which prohibits the consideration of germane amendments. The amendment contained in the Rules Committee report is under the jurisdiction of the Energy and Commerce Committee and is therefore not germane to this bill from the Ways and Means Committee.

"Mr. Speaker, since both of those amendments will be considered to be adopted when this rule is adopted, they are currently before us and must be subject to points of order. It is clear from the rule that once the rule is adopted, the bill as amended by them is not subject to points of order. But, prior to the adoption of this resolution, those two amendments are obviously a part of this resolution and subject to the two points of order I have raised."

The SPEAKER pro tempore, Mr. MAZZOLI, overruled the point of order, and said:

"The Chair is prepared to rule.
